**THE PERFORMANCE HORSE SOURCE**  
 Featuring Sugar Bars, Leo, Flit Bar & Driftwood genetics!

Open Box Rafter Ranch's focus has been to produce the performance horse kind ... this has allowed our family to enjoy our work on the ranch horseback, and to be competitive in the arena.

We have concentrated on the classic bloodlines that were proven in the past and still work today ... mainly Joe Reed, Three Bars, Driftwood, Hancock and King with the early emphasis on their sons Leo, Sugar Bars, Driftwood Ike, Laughing Boy, and now descended to Flit Bar, Colonel Freckles, Orphan Drift, John Red. The foundation cowhorse bloodlines with their good minds and savvy have been important here as well as breeding for speed with sound legs, conformation and ability.

The good stallions we've used have proven their worth as top sires, but our greatest effort has been to build a solid band of high quality, strong, balanced broodmares. The old cowboy's theory of genetics says ... "75% of a colt's traits come from the mare," and "Good horses, like good men, have good mothers." That's the basis for building this program.

# WELCOME

Friends, Welcome to our 25th Annual Horse Sale!

For the last 25 years, our family has always looked forward to the one day that we have the privilege to offer our year's work of making some good ones! More than this, we always look forward to reuniting with so many of our horse people that have become friends and even family.

Tom and Sage provided us with most of the excitement this past year: Tom broke his arm in October; their twin girls, Rebecca and Elizabeth, were born November 9th! Long winter, then Sage broke her arm in June at branding; what a year for them! Can't wait to have you see the twins, they will steal the show!

Jess... decided to go back to the classroom and combine teaching with her love of travel, we are so proud of her, but Palm Springs, California is still hard for Dad to gulp! At least she will be home for the sale.

Justin... Well, he did it! "Private Pilot"... brothers won't go up with him yet ... they're waiting 'til he has a little more practice! They remember when he used to wipe out gate posts with the tractor! He moves on to the next step of SDSU Aviation program, Instrument Rating!

Josh... Took care of Grandpa Geno most of last year on the ranch. This summer he worked in North Dakota, a little better pay scale than ranching! He always stays involved with youth ministry, excited to see where God leads next. He is home through the sale, we are grateful.

Jordan... Finished up with college rodeo, now on to the next step. His desire is to be a coach and work with youth; he'll be a good one. He will go back to Oregon this fall to finish Bible school, then on to finish his education degree.

Jeb... Ranch Manager, auctioneer, farrier, socializer, mechanic! You name it, if it needs to be done, Jeb gets it figured out! I am so grateful for Jeb! He works one day a week at Lemmon Livestock, helps neighbors, and covers all fronts here at home. He and his good buddy Paul McLaughlin hit the hay field hard this summer, what a blessing!

Jimmie... just started Sophomore year at Rapid City Christian. Volleyball is in full swing; it's her favorite thing about school! She had a good rodeo season; qualified for State in Cutting and Reined Cowhorse. She is building more and more confidence. Still my little Jimmie Jean, and the best little ranch cowgirl in the country!

I thank God for Joni! She is making an excellent Grandma (but she likes being called "Nana" better). She even knows how to change diapers, imagine that! She loves her family, her horses, her church, and if you catch her on the right day, she will even say "Jim"!

We are so grateful for Keith & Bunny and Grandpa Geno. Jimmie stays with Keith and Bun during school. Grandpa Geno moves between here, Jeff & Mitzi's, and his home when it works out. Main celebrations this year, besides the twins, were Grandpa Geno's 50-Year AQHA Breeder Award, and Keith & Bunny's 60th wedding anniversary; we're so blessed!

We are also blessed with extended family: John & Lis Hollmann, John & Sue Kaiser, D.D. Nelson, they are all such an important part of our lives. We are proud of South Dakota and its horse people! How about the achievements and awards the Frenchmans line of horses has put on the map. The sale is loaded with them!

Come join us for our 25th and catch up! We love talking horse and seeing our horses do our friends a lot of good. See you on September 8th for sale day, then join us Sunday morning for our Church Service!

BLESSINGS, JIM HUNT

THE HUNT FAMILY ... (top , l to r) Josh, Jeb, Tom; (middle) Sage, Jessica, Jimmie, Justin; (bottom) Jim holding Rebecca Carolyn, Joni holding Elizabeth Annette, Jordan.

Geno with another set of Hunt twins; he has two sets of twin sisters! Four generations with son Jim, grandson Tom, great-granddaughters Rebecca and Elizabeth.

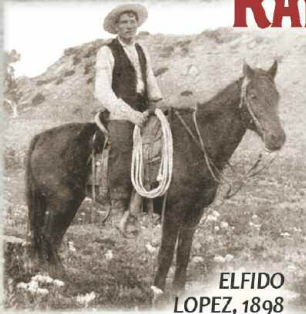

Keith and Bunny enjoying some great-grandparent time. Elizabeth and Bunny share their middle name "Annette". Such special little girls!

"Cisco" stamps his colts with his conformation, class, color, and chrome. His sire, World Champion Sire Sun Frost, has sired earners of over \$2 million, 37 AQHA point earners and was known as a cutting horse sire before his offspring hit the rodeo arenas. Cisco is a brother to influential sires Frenchmans Guy, PC Frenchmans HayDay, Dad's own PC Sun Socks and others; and to, ProRodeo Hall of Fame barrel horse French Flash Hawk "Bozo". Driftwood, Super Charge, Jet Deck, and Azure Te round out a terrific performance pedigree; he carries four crosses to legendary sire Three Bars. His dam New Sovereign traces three times to the great Thoroughbred sire Nasrullah, who is the grandsire of Azure Te, Sovereign and the legendary Secretariat. Plenty of speed breeding in his background, but he has the level head of a cow horse and the hip and good bone of a rope horse. Cisco is easy to handle and ride, and his colts are smart and good to halter break, willing and trainable. He has sired AQHA Performance Register of Merit and his offspring have excelled at steer wrestling, roping, barrels, ranch horse and in the show pen. We have retained a son and 12 daughters for our breeding program. Can be pasture bred, hand bred, or collected. Semen ships well. 5 Panel N/N.

Open Box Rafter Ranch will retain two breedings a year.

A daughter of Coyote Colonel, Positively A Coyote, produced the barrel racing mare Frenchmans Freckles (dam of Freckles Ta Fame, American Finalist), the AQHA Res. # 50-YEAR LEGACY AWARD

## GENE HUNT ...50-YEAR QUARTER HORSE BREEDER

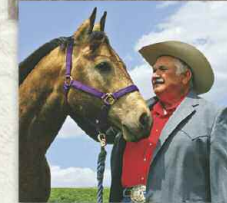

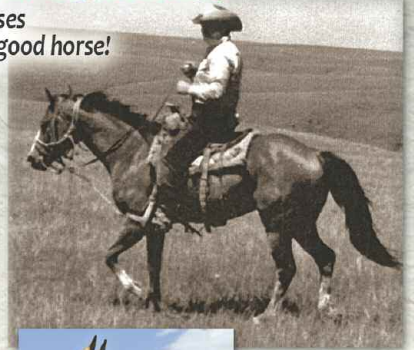

Honored for his lifetime of ranching and raising Quarter Horses  
 ...nearly all Geno put together over the years was with the help of a good horse!

AMARILLO, TEXAS, September 2017 — Geno Hunt received his AQHA 50-year Breeder Award at the AQHA Hall of Fame banquet hosted by AQHA. (L to R, standing): Mary Angelo Docheff, Josh Hunt, Jeb Hunt, Jim & Joni Hunt, Judy Docheff, Jessica Hunt, Jim Docheff; (Seated): Geno Hunt, Laura Lopez Kelso.

While in Amarillo, Geno was invited by Johnny and Jana Trotter for a tour of Bar G Feedyards, and to look at the mares and colts. Thanks, Trotters, for showing Geno and family some real Texas hospitality! Johnny is Past President of AQHA.

Geno with his stallion Dillon Oaks!

Above (l to r): J.T. Hunt steer wrestling; Jody Hunt heeling; Jakki Hunt barrel racing; Jana Hunt pole bending; (to the left) J.J. Hunt, on pickup horse he got from Grandpa (wearing Geno's brand).

(l to r): Tom, Jessica, Justin, Josh, Jordan, Jeb and Jimmie Jean

Something Geno is very proud of ... even though they may not all wind up as ranchers, every one of his 12 grandchildren know how to get horseback and sort cattle, pen mares, calve heifers, halter break colts, handle stallions and broodmares (that may or may not be broke!), and are the best branding and shipping help anyone could have. That's a pretty special legacy. Hats off to you, Grandpa Geno!

JAY GEORGE ... rancher, photographer, sale manager, promoter; he helped Jim develop our first catalogs and sale presentation, his talent and eye are second to none!
