THE PERFORMANCE HORSE SOURCE

Open Box Rafter Ranch's focus has been to produce the performance horse kind ... this has allowed our family to enjoy ranch work on horseback, and to compete in the arena.

We've concentrated on the classic bloodlines that were proven in the past and still work today ... mainly Joe Reed, Three Bars, Driftwood, Hancock and King with the early emphasis on their sons Leo, Sugar Bars, Driftwood Ike, Laughing Boy, and now descended to Flit Bar, Colonel Freckles, Orphan Drift and John Red. The foundation cowhorse bloodlines with their good minds and savvy have been important here as well as breeding for speed with sound legs, conformation and ability.

The good stallions we've used have proven their worth as top sires, but our greatest effort has been to build a solid band of high quality, strong, balanced broodmares. The old cowboy's theory of genetics says ... "75% of a colt's traits come from the mare," and "Good horses, like good men, have good mothers." That's our program's foundation!

RANCH, FAMILY AND A GOOD HORSE ...A TRADITION FOR SIX GENERATIONS!

WELCOME!

Hello Friends,

Welcome to our 30th annual Open Box Rafter Ranch Production sale, held in Rapid City, SD. This has become one of our main yearly family events. In fact, our children don't remember not having a horse sale! Actually, I'm in my 60's now, and I don't remember not hosting a horse sale. My grandfather, Albert Lopez, held his first in 1943, and we proudly continue that tradition. We're so thankful for the sale offering we've been allowed to produce, and the world class horses our friends, the Hollmann's, bring to the sale. Sadly, we lost one of our good friends and customers, Kathleen Spicer, but are honored to help remember her enthusiasm and legacy for good horses. What an opportunity for folks to invest in the best! We are so thankful for the lives of Ron and Kathleen Spicer.

Let me share a bit about Jim & Joni's crew:

We are now mostly referred to as "Papa & Nana". Tom & Sage have blessed us with five wonderful little lives that are healthy as can be. Two sets are twins, Rebecca & Elizabeth (5), Hannah & Jack (3), and Elloise (1). Ranching and raising kids is currently Tom and Sage's full time occupation!

Jessica is here on the ranch with us, such a blessing! She is primarily running the horse operation, and we couldn't do it without her.

Justin & Erica... Justin (a flight instructor) joined the SD Army National Guard and is finishing up his AIT in helicopter maintenance training. He will be home in time to welcome our 6th grandchild in October! Justin & Erica are having a girl! Well, Erica is ... anyway, sure gonna be a fun Christmas!

Josh returned to the ranch this summer, and has been such a blessing! Getting hay put up, fixing whatever's broken, working livestock, basically running the place! He is so gifted and has a heart for the Lord; has been doing some Bible studies when able.

Jordan & Grace ... Jordan also finished his Army National Guard training in April, returning to Oregon to finish work while Grace finished vet school at Oregon State in June. They moved to Weatherford, TX this summer where Grace has a year long internship at an equine hospital (yes, she's working on horses!), and Jordan is taking college classes full-time.

Jeb is in his third year of farrier apprenticeship with Olsen Equine in Brock, TX. Lee and Jamie and boys are like his second family, and so good to him. He is fully certified and can trim anyone's toes! (mainly horses). Will be good to have him home for the sale!

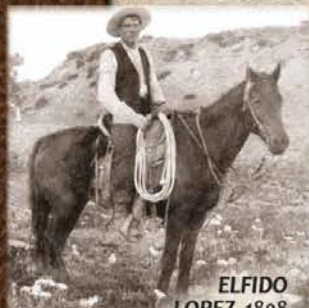

Jimmie Jean completed her two years of Bible college, and now has accepted a position as Resident Assistant at a small Bible college on the Island of Kauai. Thankfully, she will be home through the horse sale! Sure hope she don't come home with a surfer or hula dancer! No, she feels God is leading her into this leadership role; we are thankful for her heart to serve.

Also joining us will be Joni's folks, Keith and Bunny Berry, cousins John and Sue Kaiser and D.D. Nelson; they are all an important part of OBRR. It's been good year on the ranch ... adequate rain, getting some hay, and such a good set of colts! Hope you like them. Come join us for our Big One ... our 30th!

Blessings, Jim Hunt

Kathleen hailed from a cattle ranch in western North Dakota, where she developed a love of horses and rodeo. She was a rodeo competitor both collegiately and professionally, and bred and trained Quarter Horses alongside her husband Ron. In recent years, Kathleen had worked passionately to establish a new, elite group of broodmares and breed to top-quality stallions.

Kathleen's mares bear the Keogh family brand, T-Up T-Down, a reflection of her pride in her western North Dakota ranching heritage. Brother Frank Keogh and wife Deb are committed to continuing her pursuit of developing some of the finest prospects in the industry.
