# THE PERFORMANCE HORSE SOURCE

Featuring Sugar Bars, Leo, Flit Bar & Driftwood genetics!

2021 SD High School Rodeo ... Jimmie Hunt on Playboy Cisco, OBRR-bred gelding and brother to Lot 9 (Two Timin Freckles x PC Cisco Frost) ... horses bred like this sell!

Open Box Rafter Ranch's focus has been to produce the performance horse kind ... this has allowed our family to enjoy work on the ranch horseback, and to compete in the arena.

We have concentrated on the classic bloodlines that were proven in the past and still work today ... mainly Joe Reed, Three Bars, Driftwood, Hancock and King with the early emphasis on their sons Leo, Sugar Bars, Driftwood Ike, Laughing Boy, and now descended to Flit Bar, Colonel Freckles, Orphan Drift, John Red. The foundation cowhorse bloodlines with their good minds and savvy have been important here as well as breeding for speed with sound legs, conformation and ability.

The good stallions we've used have proven their worth as top sires, but our greatest effort has been to build a solid band of high quality, strong, balanced broodmares. The old cowboy's theory of genetics says ... "75% of a colt's traits come from the mare," and "Good horses, like good men, have good mothers." That's the foundation for building our program.

**SIX GENERATIONS RANCHING AND RAISING HORSES IN SOUTH DAKOTA!**

Rafter Ranch Family at Wedding #3, Jordan & Grace (l to r): Erica (Justin's wife), Jessica, Joni, Justin, Bunny Berry (Joni's Mom), Jordan & Grace, Keith Berry (Joni's Dad), Jim, Josh, Jimmie Jean and Jeb!

**Hello Friends,**

Welcome to our 28th Annual Open Box Rafter Ranch Production Sale. The Bible tells us in the first book of James, vs. 2, 3 "Consider it all joy, brothers and sisters, whenever you face trials of many kinds, because you know that the testing of your faith produces perseverance." (NIV) And those words have sure been ones to live by this past year, for so many of us!

One year ago on September 2, God took Dad (Geno) home. Dad laid his head on my shoulder and slipped away peacefully. Thank you Lord for allowing us to care for and be with him; he left us a legacy, and we will try to honor that.

As we all have faced the difficulties of dealing with the Covid epidemic this past year, we are thankful for the true enjoyment of the making of a good horse! We are so pleased with this year's offering. Hope you are as well. More important even than the horses is the family ... so here's an update:

**Tom & Sage** are in full swing, raising a beautiful family and trying to ranch during a drought! Two sets of twins, with chickens, bum calves, milk cow, grasshoppers, they keep their heads up and thoroughly enjoy their kids: Rebecca, Elizabeth (age 3 3/4), Hannah & Jack (age 2) are perfect, and boy are they loved by Papa & Nana! I lost part of my finger in a squeeze chute this spring, and Rebecca is convinced Nana bit it off! I wonder where she got that idea??

**Jessica** is here at the ranch, and we are so grateful! She graduated with her Surgical Technology degree, but for now is Ranch Foreman, and she does a terrific job!

**Justin & Erica**, happily married for two years and such a blessing to us. Justin is finishing his pilot's training this fall with multi-engine and commercial ratings, and then on to his flight instructor course. Erica is teaching elementary school in Volga, SD.

**Josh** was home most of the summer, but he will relocate to Oregon this fall, at Ecola Bible College as Dean of Men. We will miss him, but he has a heart for ministry and we are thankful for him.

**Jordan** blessed us with a new daughter-in-law, **Grace**. They were hitched in a beautiful outdoor Christian ceremony in Oregon, Western style with hats, boots, and all! Grace will be a veterinarian in two more years, attending Oregon State in Corvallis; Jordan will be working in law enforcement.

**Jeb** is beginning his second year in a farrier internship in TX with family friend, Lee Olsen. He has done well and met wonderful horse people in the industry, but we sure miss him!

**Jimmie**, our baby girl, graduated from high school and will attend a year of Bible School in Oregon, then back to South Dakota for nursing school!

**Joni** ... well she keeps the home fires burning! Keeps tabs on her folks, Keith & Bunny, still in Rapid City; they are well and such a blessing. She enjoys our twin grand babies, plays & sings in church, plans for weddings, graduations, horse sales, and more. She enjoys her womens' Bible studies, and after 34 years of marriage, says she would still choose me! How could I ask for more?

We are dry, no hay this year, it's a challenge to keep water to livestock, but God provides, and we learn to trust! Sure hope you can join us along with our friends the Hollmanns, cousins John & Sue Kaiser and D.D. Nelson, and all our family for the Sale weekend. We will all be there to welcome old friends and new, and introduce Grace to the outfit!

May God bless you all, and our beloved country, with His richest blessings,  
**JIM HUNT**

French Flit is a well-bred stallion with good looks, golden palomino color and top conformation. Dam Iza Flit Bar was the youngest daughter of great arena horse sire Flit Bar. An outstanding barrel racing mare, Iza earned AQHA Performance Register of Merit with Barrel Racing points. She had that pretty, little Sugar Bars head and the great big hip to go with it; she passed that and her solid mind along to her son. Iza is a full sister to the good barrel horse sire Flit Bar Beggar. Sire Frenchmans Guy is one of the nation's leading barrel futurity sires and three-quarters brother to four-time World Champion barrel racing horse French Flash Hawk "Bozo". French Flit is the only stallion we know of sired by Frenchmans Guy and out of a Flit Bar daughter. His offspring are stamped with pretty heads, big hips, plenty of bone, substance and color! 5 Panel N/N.

Quentin Anderson aboard French Flit Tis (French Flit x Tis Miss Flit) purchased in the 2012 OBRR sale by the Andersons. She has her Performance Register of Merit, 8 tie-down roping points, 16 heeling points and qualified for the 2019 AQHA World Show in Amateur. French Flit Tis and Quentin finished third in Level 2 Heeling, sixth in L2 tie down, 10th L3 heeling. Like French Flit Tis, Lot 11 is out of a Sugar Bars & Leo bred dam!

Sire Royal Quick Dash, si 101, is a world champion sire and a great arena producer. His daughters are excellent producers. The Royal Quick Dash horses are built to stand up to any type of work. They stay sound on the track or in the arena. Dam PC Frenchmans BoJet is a daughter of Frenchmans GoJet AAA, one of South Dakota's greatest race horses and one of Frances Loiseau's elite mares. BoJet produced a number of arena champions as well as broodmares and sires that went on to produce standout offspring. Her son, Frenchmans Falcon, currently stands with Butch and Mary Knowles and is a leading sire of rodeo horses in the Northwest. One of her daughters, Frenchmans BoDashus (Royal Quick Dash), produced the three-time WNFR mare Fiery Miss West that has been Jessica Routier's main mount since 2017. She consistently earns money at nearly every rodeo and continues to run sound and strong during a grueling rodeo schedule which is typical of this mare's offspring ... they are built to last!

Dam Bonita Frenchlady brings the speed of Royal Shake Em and the versatility of PC Frenchmans BoJet ... the powerful mare line behind Frenchmans Falcon and Fiery Miss West. Another barrel horse legend, Firewater Flit, contributes to Senorita's superior genetics. We are big believers in maternal genetics ... Senorita descends from potent mare lines. "Cisco" stamps his colts with his conformation, class, color, and chrome. His sire, World Champion Sire Sun Frost, has sired earners of over \$3.5 million, 37 AQHA point earners and was known as a cutting horse sire before his offspring hit the rodeo arenas. Cisco is a brother to influential sires Frenchmans Guy, PC Frenchmans HayDay, Dad's own PC Sun Socks and others; and to, ProRodeo Hall of Fame barrel horse French Flash Hawk "Bozo". Driftwood, Super Charge, Jet Deck and Azure Te round out a terrific performance pedigree; he carries four crosses to legendary sire Three Bars. His dam New Sovereign traces three times to the great Thoroughbred sire Nasrullah, who is the grandsire of Azure Te, Sovereign and the legendary Secretariat. Plenty of speed blood in his background, but he has the level head of a cow horse and the hip and good bone of a rope horse. Cisco is easy to handle and ride, and his colts are smart and good to halter break, willing and trainable. He has sired AQHA Performance Register of Merit and his offspring have excelled at steer wrestling, roping, barrels, ranch horse and in the show pen. We have retained a son and 12 daughters for our breeding program.

#### OUI OUI (Poco Speedy)

#### MR FLINTROCK (Bandit Hancock 1)

#### PINE'S CRICKET (Poco Pine)

Very nice young mare, granddaughter of Wilywood. She is quiet, a good mother, easy keeper. Her dam is a granddaughter of Mr Flintrock, Tom Eliason's great World Champion Rope Horse. Her sire's DNA could not be verified, so she is considered a grade mare. She sells with her 2021 palomino filly by Mi Cisco Frost at side, and is bred back the same way.

**GENE HUNT 1933-2020**

We can shed tears that he is gone,  
Or we can smile because he lived.

We can close our eyes,  
And pray that he'll come back.

Or, we can open our eyes,  
And see what he has left.

Love lives on, he may be gone,  
But will not be forgotten.
