# OPEN BOX RAFTER RANCH

QUARTER HORSES

## THE PERFORMANCE HORSE SOURCE

Featuring Flit Bar, Sugar Bars,  
Leo & Driftwood genetics!

Open Box Rafter Ranch's focus has been to produce the performance horse kind ... this has allowed our family to enjoy ranch work on horseback, and to compete in the arena.

We've concentrated on the classic bloodlines that were proven in the past and still work today ... mainly Joe Reed, Three Bars, Driftwood, Hancock and King with the early emphasis on their sons Leo, Sugar Bars, Driftwood Ike, Laughing Boy, and now descended to Flit Bar, Colonel Freckles, Orphan Drift and John Red. The foundation cowhorse bloodlines with their good minds and savvy have been important here as well as breeding for speed with sound legs, conformation and ability.

The good stallions we've used have proven their worth as top sires, but our greatest effort has been to build a solid band of high quality, strong, balanced broodmares. The old cowboy's theory of genetics says ... "75% of a colt's traits come from the mare," and "Good horses, like good men, have good mothers." That's our program's foundation!

Most of our family except Jordan and Grace was able to attend Jim's final convention as AQHA President:  
(l to r) Josh, Jeb holding Eloise, Jessica & Hannah, Joni & Elizabeth, Jim holding Juniper, Sage & Tom with Rebecca & Jack, Justin & Erica and Jimmie.

Welcome to our 32nd Annual Quarter Horse Production Sale! We're proud to offer a fine set of horses again in 2025! We couldn't do it without our family ... here's a quick update:

Tom & Sage are ranching, growing their five kids, Rebecca, Elizabeth, Hannah, Jack and Eloise, along with cows, horses, chickens, and a big garden!

Jessica spent June and July in Alaska, teaching kids to ride. This fall she starts a new job as surgical technician in Nebraska. We will miss her!

Justin and Erica welcomed new baby girl Delanie Lu on July 21, joining big sis Juniper Hope. They live in Rapid City.

Joshua keeps busy with ranching, youth group, pulpit fills, and a mission trip to Puerto Rico. And, more in the works!

Jordan deployed with the Army a year in Kosovo, returning to the US in July to join his wife, Grace, in Ft Collins, CO. Grace is a resident at CSU in Equine Sports Medicine. So glad to have him back on US soil!

Jeb is farrier (CJF) for Olsen Equine in Brock, Texas, returning home regularly to help work cattle or horses.

Jimmie lives on Kauai, Hawaii, managing a coffee shop and serving in her local church. We miss her, but she doesn't miss winter!

Keith and Bunny Berry, Joni's parents, moved to the ranch in November; Keith has a beautiful roan filly in the sale.

We welcome our family and friends, David Nelson, John and Sue Kaiser, Steve and Teri Kezar, and our friends John, Lis and Val at Frenchmans Quarter Horses, they an important part of our sale and our life! Thanks everyone for coming!

Jim and I have been privileged to serve the American Quarter Horse Association for the past five years, as Executive Committee Member and Spouse. This last year, Jim served as President and during his farewell speech at Convention in March 2025, he shared a poem he wrote for the occasion, in honor of his mother, Effie Hunt. We have included it here.

In the beginning, God created the Heavens and the Earth,  
He then needed a manager, so man and woman took charge  
of the animals that were given birth.

There were species of many shapes and kinds,  
but Man and Woman, they favored one with an incredible mind!

They chose a special one, one to be a friend...

Yes, the Horse, caballo, chunka wakan ... he's the one the Creator  
would send.

Our Horse became the means for transportation, even pulled a  
plow, Was a joy to ride fast, or for fun; a natural to work a cow.

In 1940, some Horsemen gathered around and said,  
"Boys, we need to protect our breed; keep track of the Sire and  
Dam, and keep making a better steed."

They formed our AQHA, a Breed Registry, now the largest of its  
kind. A breeder's friend, added value for our Horse, keeping  
Genetics in line.

Our history, is now set in stone; the Headquarters and our  
Museum made Amarillo our final home.

We have the richest history in any equine event!  
Ranch, Race, Performance, they advance, because of our intent.  
Conformation, Halter and English, those needs are met, yes...  
On our American Quarter Horse, it's as good as it gets!

Cowboy hats, boots, yes, and many wear them Jeans...  
Leotards, and chaps, they also can be seen!

I need to mention a few standouts, whose pictures are on the  
wall: Wimpy, Leo, King 234, all on top of the list. Peter McCue,  
Grey Badger, yes, Three Bars, we don't want to miss!

Peppy San, Dash For Cash, Rugged Lark all cast in Bronze;  
Shining Spark, Doc Bar, Two Eyed Jack ... they, too, sang their songs.

Yes, the Horse is the main reason that we all gather to meet.  
"Come on in, join our family, please take a seat."

I give you all a personal Thank You, for taking Joni and me in;  
all Past Presidents, EC members and Directors, so, so special, right  
to the end.

Mexico, Canada, Germany, all International, so honored to visit your  
lands, see your horses, meet your families, and dance a jig to your  
bands!

Your horses and ladies are fancy, your Youth are sure top Notch!  
So thankful you're part of our family, your presence means a lot!

Staff ... you're my family, and you always will be.  
I'll cherish our moments forever, thanks for being so kind to me.

It is written in the Bible, that when Jesus comes back to make  
things right, He will be riding a beautiful white Horse.  
Me, I want to be riding on His round-up crew, probably on a blood  
bay or sorrel, but it will be registered with the AQHA, of course!

Blessings! Jim Hunt

Correct, easy-moving stallion with good mind and bone. His sire, Dash Ta Fame, is a Leading Sire of barrel horses and race horses. His dam had a lot of success in the barrel racing arena. Casey is smart, strong and smooth with a terrific disposition. Laura Smith Wells patterned him on barrels, poles, roping; she reported him exceptional, easy to handle and train with tons of ability. The same report from Emilee Pauley, who calved heifers and dragged calves on him at several brandings last spring, and hauled him to just a few barrel races, but placed a bit and impressed us all with his great mind and natural ability. We are very excited about this outcross for our program, and for how good his foals are! 6 panel N/N.
